**Congratulations everyone, and thanks for supporting the
Te Anau Helicopter Services 2025 Fiordland Big 3**

Each pest captured this weekend contributes to pest control efforts that support our farmers and help preserve the natural environment in the National Park.

Special thanks to Deer to Care – “Hunting for a Cause, Feeding Our Community” and to all the teams who generously donated their deer to this important initiative. Once processed, these donations are estimated to provide approximately 9,200 meals to those in need throughout the Southland community.
